

Page County High School

STEM Club (Drone Summer Camp)

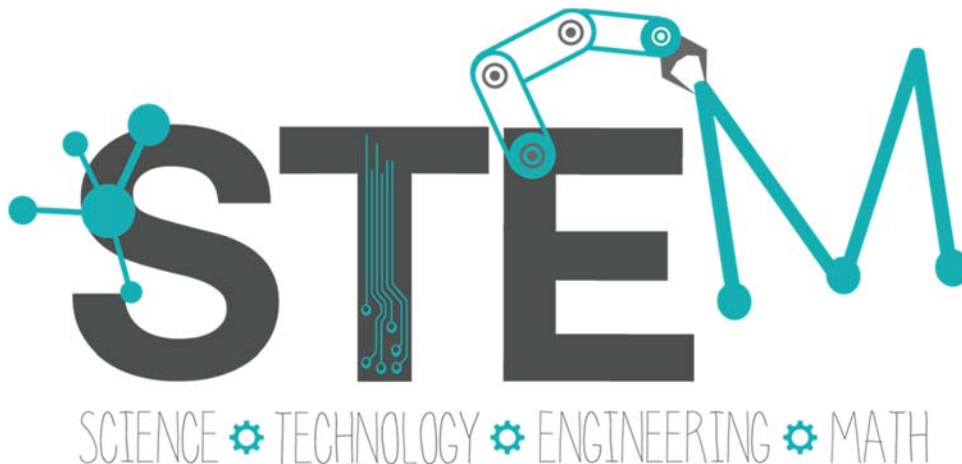

Monday - July 17th through Thursday - July 20th (9:00 Am to 12:00 Pm)

The **Page County High School STEM** (Science, Technology, Engineering, and Math) **Club** is pleased to sponsor and host a four day STEM summer camp on **July 17** through **July 20**, 2017. The camp will focus on drone racing with Quadcopters. Each day will be based on a theme ending with a competition. Please come be a part of this rewarding opportunity. Snacks will be provided each day. Please see Mr. Leonard in the Technology Classroom for more information.

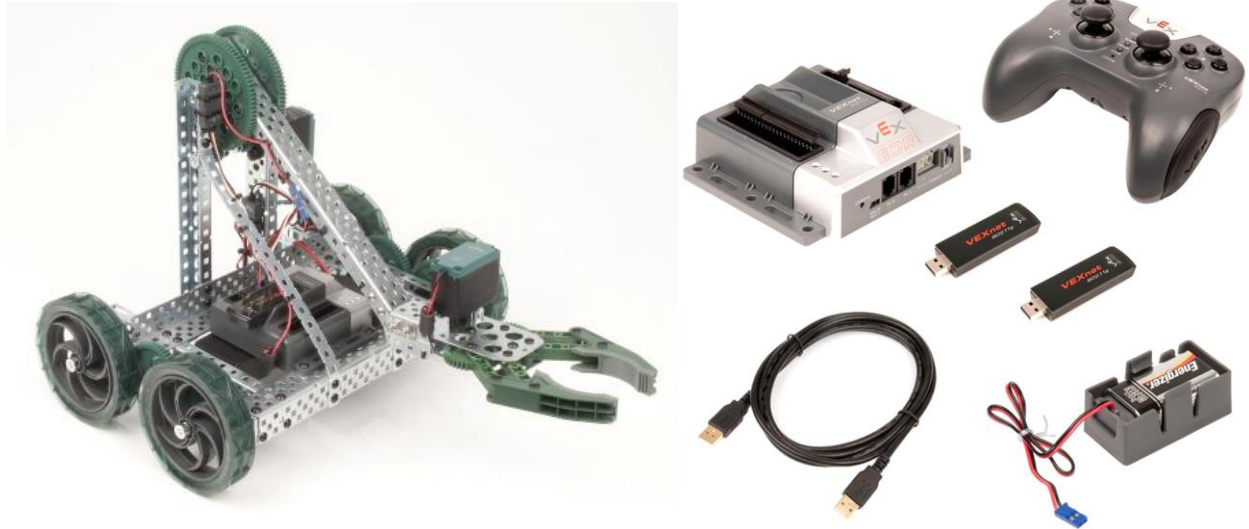

Schedule:

Monday: Basic Drone Flight.
Tuesday: Drone Canon Competition.
Wednesday: Capture the Flag Competition.
Thursday: Pylon Racing Competition.

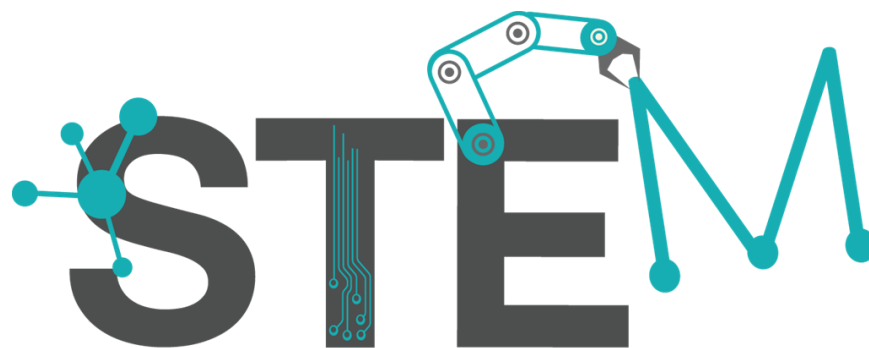

**Page County High School versus Luray High School
STEM Club (Swept Away VEX Robotics Competition)**

Tuesday, June 13, 2017 10:00 AM – 11:00 AM

The **STEM Club** from Both High Schools are pleased to announce an event for the public to view PCHS versus LHS in the **Swept Away VEX Robotics Competition**. The competition will be held at PCHS Gym and is open to the public. Please come out and cheer on your school in good fun and competition. Anyone is welcome. Please see Mr. Leonard in the Technology Classroom for more information.
