

What is the Virginia Education Wizard?

The Virginia Education Wizard is a comprehensive website that helps students plan for their futures by allowing them to:

- ❖ **Identify their interests, skills, and values through online assessments**
- ❖ **Browse careers by cluster or name**
- ❖ **Search colleges throughout the nation and view admission information and criteria**
- ❖ **Create a personal profile that saves careers and colleges of interest**
- ❖ **Discover ways to pay for college by learning about the financial aid process and by utilizing the college cost calculator**
- ❖ **This is also a great resource for parents who want to help their child plan for the future**

The Virginia Education Wizard also provides educators with valuable tools, which allow them to work with students to create a personalized Academic and Career Plan.
