

What to Watch Out For Online

• Potty-Mouth Pete

He uses bad and mean words and rude language when he talks on the Internet.

If anyone says anything that makes you feel scared, uncomfortable, or confused, do not respond and tell a trusted adult.

• Wanta-Know Wally

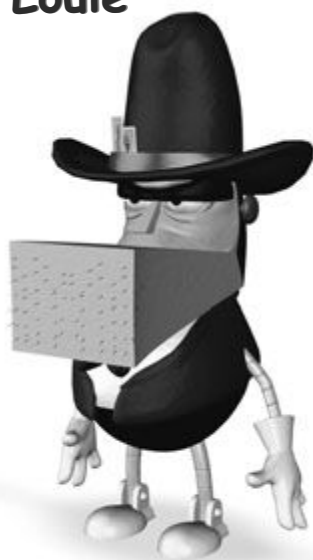

He wants to know everything about you and your family — things like your name, address, or telephone number.

If anyone asks for your name, address, or telephone number, remember to never give out your personal information and tell your parents or guardian.

• Look-At-Dis Louie

He sends pictures of things that are mean or ugly, things that kids don't want to see.

If anyone sends you anything that makes you feel scared, uncomfortable, or confused, tell a trusted adult. And if someone you don't know sends you an E-mail, don't open it.

• Meet-Me Mack

He wants you to go and meet him somewhere.

If anyone asks to meet you in person, tell your parents or guardian. Remember to never meet in person with anyone you first "met" online.
